ENTRY POLICIES & 'HOW TO ENTER' GUIDE

v1 | 01 June 2026

International Orienteering Federation (IOF), Orienteering Australia (OA) and Orienteering New Zealand (ONZ) Rules state that Forest Oceania Championships should be held in odd years (i.e. 2027). However, if local conditions are likely to prevent use of suitable orienteering areas, then they may be held late in the previous year. Therefore, our events are the 2027 Championships held in 2026: the 2026/2027 Oceania Championships.

Entries close 5 September 2026 for all Oceania Championship events and for the Flight of the Bogong 3-day event.

CHECKLIST FOR COMPLETING YOUR ENTRY CORRECTLY VIA EVENTOR

CLASS

Check you have your preferred Class in your Eventor profile, and re-check/select it on the Entry page for each event as you enter.

CLUB

Check that you are associated with your preferred Club when you enter, as some people have multiple clubs and/or associations. This club needs to reflect your Oceania country association.

SI NUMBER

Check you have your correct SI number (SIAC or SI stick) in your Eventor profile. Check the number on the Entry page for each event as you enter.

SI sticks will be available to hire at \$5.00 for each individual event. To hire an SI stick, select it under the 'services' for each of the events required. There will be a fee for lost or non-returned SI sticks. The Entry Secretary will apply your rental SI stick number to your entry.

IOF ATHLETE ID FOR WORLD RANKING EVENTS

The Oceania Middle Distance, Oceania Long Distance and Oceania Sprint Championship events have been designated by the IOF as World Ranking Events for M21E and W21E elite classes. This includes all competitors in M20E and W20E for the Middle distance and M20E, W20E, M18A and W18A for the Sprint distance since they will be running the same courses. [Register in IOF Eventor.](#)

Competitors score IOF Ranking points at these events if they have registered as an Athlete in IOF Eventor, have included their IOF Athlete ID in their Eventor Australia profile and their entry name matches that associated with the IOF Athlete ID. Any athletes entered in the elite classes without an IOF Athlete ID should register in IOF Eventor before the Carnival and add their ID number to their Eventor Australia profile.

2027 WORLD CHAMPIONSHIP QUALIFIER

Winners of the Oceania Long and Middle distance M21E and W21E races will secure personal places in those races at the 2027 World Orienteering Championships.

OCEANIA SPRINT ENTRY

As the 2026 Oceania Sprint Championships were held in the Central Coast in January 2026, the sprint event in this carnival will be the 2027 Oceania Sprint Championships. Therefore, competitors in IOF classes (M/W21E, M/W20E, M/W18, M/W16) must run in their 2027 age classes.

Competitors in all non-IOF classes and grades (i.e. M/W10–14, M/W35 and above, M/W20A, 21A, all short and B grades) may run in their 2026 age classes in the Oceania Sprint.

OCEANIA RELAY ENTRY

Competitors entering in the Oceania Relay Championships (on Sunday 30 September) need to enter the Oceania 2026 Relay Championships **Individual Entry.**

National and State selectors will then make their team selections based on your entry. Note that as well as A, AS and B-grade age-based classes to form teams of 3 (each running a leg), there are 3 Mixed relay classes available: Mixed Hard, Mixed Moderate, Mixed Easy, which form the 3 legs for a Mixed class relay team.
